GENERAL TRADING (L L C)

WINDLASS

Hammer Unions / Ring Gaskets
Pup Joints / Swivel Joints

ALFAFLEX

Industrial Rubber Hoses

Ponaflex

LayFlat Hoses

EMMAFLEX

Hydraulic Hoses

Hose Couplings & Accessories

Alfaflex Industrial Rubber Hoses For:

OIL SUCTION,
WATER SUCTION,
BULK / CEMENT,
STEAM, WELDING HOSE/RADIATOR,
CHEMICAL,
AIR/ WATER,
MULTI PURPOSE/FOOD GRADE,
FUEL HOSE

AF ALFAFLEX
Industrial Rubber Hoses

PMT
Ring Gaskets

MRV
Nylon Braided
Hoses

Goodall
Rotary Drilling
Hoses & BOP Hoses

HOSE
CORPORATION
PART OF THE AMNITEC GROUP

DIXON
Couplings, Clamps,
Cam & Groove

SUNPOOL

Stainless Steel fittings in various sizes

SUNPOOL

*Aluminium / Stainless Steel / Brass Camlocks
* Suitable for water / oil suction & discharge hoses*

EMMAFLEX

**HIGH PRESSURE
HYDRAULIC HOSE**

Hydraulic tube couplings, Ermeto fittings, Equal Union, Equal Elbow, Equal Tee.

ROTARY DRILLING HOSES

TEST POINT HOSE

ALFAFLEX HOSES

WINDLASS HAMMER UNIONS

WINDLASS SWIVEL JOINTS

EMMAFLEX HYDRAULIC HOSES

Hydraulic Hoses (skive & non skive) low, medium, high & extra high pressure (from one wire to six wire Braid)

PMT RING JOINT GASKETS

PMT has API 16A licence to manufacture Ring Joint Gaskets in different solid metal type including soft iron, low carbon steel, stainless steel 304/316 and other alloys. These gaskets are made to withstand high pressure, various temperatures, and employed where corrosive agents are present.

KLASFLEX HEAVY DUTY SUCTION PIPES

Heavy duty PVC hose reinforced with an integral crush-resistant PVC helix. Optimum flow is maintained by smooth bore. Tough and extremely durable under normal operating conditions.

TRELLEBORG INDUSTRIAL HOSES

TRELLEBORG-FRANCE INDUSTRIAL & COMPOSITE HOSES

Rubber Industrial hoses for various applications like steam, water suction & discharge, oil suction & discharge, chemical welding, compressed air, nitrogen etc.

PONAFLEX LAYFLAT HOSES

High tenacity polyester yarn thread is used for netting, and fusion adhered perfectly in and outside the hose with the soft PVC compound. It is durable against the tube and cover pressure.
